To All Officers, Franchise Owners, Managers, Team Captains and
Members of Teams of the Negro Major League

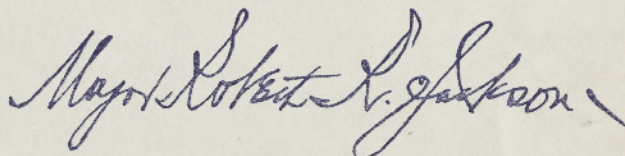

Gentlemen:

Having been tendered the Presidency of the League and accepted the same, my program shall be "the uplift of the League and its success." I am sure we do not enter the contest for success by fighting any other League but do enter the contest for success by furnishing a 100 per cent brand of baseball, good conduct on the ball field and with the sole idea of pleasing the public, who support the game. **THE SPIRIT OF COOPERATION MUST POSITIVELY PREVAIL AMONG MEMBERS OF THE LEAGUE** and the foundation of our success shall be builded along the lines of that famous old saying, "all for one and one for all" I cast my entire zeal, energy and perseverance into the League for the successful carrying on to build up the Organization just as I builded the Negro American League and without malice, animosity or resentment to the Negro American League or the Negro National League. We must **WORK TOGETHER** and that we will do.

CONSTITUTION AND BY-LAWS

Should be adopted and Rules and Regulations set up to avoid conflicts and disagreements among franchise owners.

All this for success and "build up" of the League. **IF YOU HAVE ATTRACTION, THE PUBLIC WILL RESPOND. MAKE NO MISTAKE ABOUT THAT.**

President.
